Good afternoon,

CD4 has requested their CARE+ cleanup tomorrow (3/17) to be halted due to COVID-19 concerns. Please shift the CARE+ team to conduct Illegal Dumping operations only.

@Josselyne, please inform the UHRC and reflect it in the confirmation coming from the UHRC.

Thank you,

Good morning Diana and Leon,

I hope you're both safe and well. In light of everything going on with COVID-19, our office would like to cancel our Care+ service tomorrow, March 17th.

We are waiting to get more clarity on what is the best course of action from public health officials going forward.

Thank you both and be well!

Hi Diana,

Fulton at 101 FWY is underneath the freeway bridge. The closest cross street is Riverside.

Ethel at 101 FWY closest address is: 4750 Ethel Ave

Kester / Huston: the closest address is 14836 Huston St, but the encampment is in a crevasse underneath a bridge above the LA River. I'm confirmed that this area is city property, not county. I attached a photo below.

Best,
Milene

Hi Milene,

Hope everything is well with you!

Below you will find service dates for the next rotational period (March 16th to April 10th):

Tuesday: 3/17

Tuesday : 3/24

Tuesday : 3/31

Tuesday : 4/7

Please provide us with LAPD Divisions for all 4 service dates as well as priorities for at least the first 2 dates.

Attached is an AMS Homeless Encampment spreadsheet with pending/authorized authorizations. Perhaps, it can be useful during the process of scheduling priorities.

Thank you!
